Re: Patent Nos. 10/751,861 & 10/762,740

To Whom It May Concern:

Since both patent applications are incomplete, I have included below two declaration forms (PT/SB/01) one for each patent application. Apparently, I sent the wrong forms several months ago, when I responded to your letter; so if there are any fees related to filing these forms late, then those fees have already been paid since payment was sent along with the wrong forms I sent in response to your letter a couple of months ago.

Besides faxing them to you, I have sent them in the mail as well.

Sincerely,

A handwritten signature in black ink, appearing to be "Jose Ignacio Gonzalez", written over a horizontal line.
